

Do You Want to Learn About the DigiPhoto Group?

Introducing children to digital photography and expanding imaginations!

Classroom Instruction

The program begins by bringing experts into the class to teach photography basics and Camera101.

Hands On Experience

Students will learn to use digital cameras to capture images and cutting-edge technology to introduce photo editing techniques.

Partnership w/ Boys & Girls Club

ArtWorks 4 ENA, Inc. is partnering with Atlanta-area Clubs to start several DigiPhoto Groups.

Blackboard Collaborate

Bringing photography and photo editing experts into the classroom using the world wide web!
